Jersey Fresh: Farm to School

March 16, 2016

# A little Background

---

- Atlantic County, NJ
- 7500 Students, 1100 Employees, and approximately 45,000 Residents
- 41% increase in population adding nearly 400 students per year for a decade
- Was once a rural farming community...
- Changed...farms sold for housing developments and retail stores
- Now, teaching our students to go back to our ROOTS!
